

Why to attend?

Cyber security is an essential skill for the evolving workplace and personal needs. This one day general awareness on Cyber Security will provide basic information and practical suggestions for protecting the personal information and computer from cyber-attacks. In a nut shell, we may like to answer a question that how can you prevent, detect and respond to cyber threats at organization and individual levels?

Who should attend?

This seminar would be useful for the people from academics, police personnel, bankers and industry who would like to start and excel their skill set in the area of cyber security and also for those who need to plan proactive measures to combat cyber threats.

Registration

- There is NO Registration Fee. However prior registration to the seminar is must to arrange the logistics.
- Registrations can be done through this URL:
https://docs.google.com/forms/d/e/1FAIpQLSe_wt43Y-nvlosvFlg3G6MJHMKMq8jn8wngjEgXvagMWCPFYRg/viewform
- Or
Fill the given Registration form and send to:

About Seminar

Artificial Intelligence (AI) is the most emergent technology in the current digital era. We are moving towards a world where AI is solving many complex problems. The reason for AI being so popular is that it gives intelligence to machines enabling high-level cognitive processes like thinking, perceiving, learning, problem solving and decision making, coupled with advances in data collection and aggregation. AI presents opportunities to complement and supplement human intelligence and enrich the way people live and work.

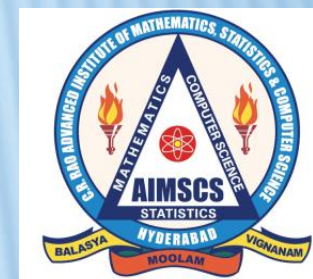

Because of the abundant use of internet invading all aspects of our lives, Cyber Security is also becoming increasingly necessary. Cyber security is often an after thought and there is also a general lack of consumer education leading to a lack of demand for better cyber security. Corporate espionage, spying, financial crimes, identity theft, privacy compromises have become matters of concern from a national, commercial as well as individuals perspective. In pursuance of the above, this seminar will discuss the New Paradigms on AI and Cyber Security working in these areas.

Resource Persons

Guest speakers are eminent academicians and industry experts.

One Day Seminar on New Paradigms in AI and Cyber Security

6th June 2019

Organized by

C R RAO Advanced Institute of Mathematics, Statistics and Computer Science (AIMSCS)

**University of Hyderabad Campus
Gachibowli, Hyderabad - 500 046**

Website: <http://www.crraoaimscs.org>

Contact No.: 040 - 23012324

E-mail: convener@crraoaimscs.res.in

About C R Rao AIMSCS

C R Rao AIMSCS is engaged in cutting edge research in areas of mathematics, statistics, computer science and interdisciplinary fields and provides a forum for national and international experts from different fields to meet and address problems of mutual interest. The mission of the institute includes dissemination of advances made in mathematical sciences to the society through workshops, international and national conferences and short courses on newly emerging areas of science and technology, guiding doctoral students and providing consultancy services to research workers in various disciplines, and to government and industrial organizations.

Advisory Committee

Dr. C. Rangarajan, President, C R Rao AIMSCS

Dr. V.K. Saraswat, Member, NITI Aayog

Lt. General Rajesh Pant, Cyber Security Coordinator

Prof. U. B. Desai, Director, IIT Hyderabad

Prof. P. J. Narayanan, IIIT Hyderabad

Prof. Appa Rao Podile, Vice Chancellor, UoH

Prof. Arun Agarwal, Pro Vice Chancellor, UoH

Prof. K. Narayana Murthy, Dean SCIS, UoH

Prof. S.B. Rao, Founder Director, C R Rao AIMSCS

Prof. D.N.Reddy, Director, C R Rao AIMSCS

Cmde. A. Anand, Project Director, ARCC

Conveners

Dr. Pradeepthi K.V & Dr. Ashutosh Saxena
Faculty, C R Rao AIMSCS

Organizing Committee

Dr. U. Yugandhar, AIMSCS

Dr. Appala Naidu Tentu, AIMSCS

Dr. Priyanka Mekala, AIMSCS

Dr. Sirisha Velampalli, AIMSCS

Dr. G. Padmavathi, AIMSCS

Dr. Supriya Goel, AIMSCS

Dr. Arpita Maitra, AIMSCS

Dr. R. Bala Krishnan, AIMSCS

Mr. Ashish Mishra, ARCC

Mrs. K. Ranjitha, AIMSCS

Ms. D. Mounika, AIMSCS

Ms. J. Adarshavathi, AIMSCS

Ms. S. Srilaya, AIMSCS

Ms. K. Sruthi, AIMSCS

Venue

C R RAO AIMSCS

University of Hyderabad Campus,

Gachibowli, Hyderabad – 500 046
